บทความ (Articles)

- Analysis and Testing of Muddy Soil from the Sediment Pond of The Mae Moh Mine for Portland Pozzolan Cement Production, The Journal of Industrial Technology, 2022, 18(3), 1-14.
- Influences of Aging and Inflation Pressure on Stiffness and Absorbed Energy of a Passenger Car Radial Tire, The Journal of Industrial Technology, 2022, 18(3), 15-28.
- Application of Quality Function Development Technique in Combination with Kansei Engineering in the Design and Development of Ceramic Tea Set Products, The Journal of Industrial Technology, 2022, 18(3), 29-46.
- Centimeter Indoor Real-Time Location System, The Journal of Industrial Technology, 2022, 18(3), 47-68.
- Increasing Yield and Reducing the Cost of Cultivation of Asparagus with the Internet of Things, The Journal of Industrial Technology, 2022, 18(3), 69-88.
- A Comparison of Activity Time Estimates Methods in PERT, The Journal of Industrial Technology, 2022, 18(3), 89-102.
- High-efficiency Wood Stove Development Based on CFD Analysis, The Journal of Industrial Technology, 2022, 18(3), 103-118.
- Effects of Injection Timing Adjustment of Plastic Pyrolysis Oil Blended with and Diesel Fuel on Performance and Emissions of Diesel Engine, The Journal of Industrial Technology, 2022, 18(3), 119-129.
- Reducing the Complexity of the Skew Angle Detector and Corrector for Bit-Patterned Magnetic Recording, The Journal of Industrial Technology, 2022, 18(3), 130-145.
- Monitoring of Surface Water Quality at Ubon Ratchathani University, The Journal of Industrial Technology, 2022, 18(3), 146-160.
- Application of Kansei Engineering Technique and Kano Model for Design and Development of Lamp Products from Krajoed Basketry, The Journal of Industrial Technology, 2022, 18(3), 161-178.
- The System Analysis and Build Prototype of Flat-plate Solar Collector by 3-D Finite Element Method, The Journal of Industrial Technology, 2022, 18(3), 179-194.
- Influences of Carboxymethyl Cellulose Bio-based Coating on Paper Properties, The Journal of Industrial Technology, 2022, 18(3), 195-207.
- Application of a Long Short - Term Memory Deep Natural Network Model for Field Crops Price Forecasting in Thailand, The Journal of Industrial Technology, 2022, 18(3), 208-227.
- Effect of Active Packaging on the Quality of Processed-Catfish (*Clarias*) Products, The Journal of Industrial Technology, 2022, 18(3), 228-243.
- Survey of Safety Standards at Railway Intersections: A Case Study of Railway Intersections in Chachoengsao Province, The Journal of Industrial Technology, 2022, 18(3), 244-259.
- Effect of Factors and Optimal Condition in Milling Process of Composites Using I-Optimal Experimental Design, The Journal of Industrial Technology, 2022, 18(3), 260-279.
